one show ► the entire industry

CMPX Delivers Results

As Canada's National Trade Show for the mechanicals industries, and the largest show of its kind in Canada, CMPX offers unmatched opportunities to gain direct access to decision-makers. Attendees come seeking the products, the technologies and the innovations that drive this market.

From installers, contractors and wholesalers to architects, engineers and national buyers, CMPX is your direct link to the North American market – one show, the entire industry.

Who Should Exhibit?

If the HVACR and Plumbing industry is the focus of your business, CMPX is the place to be. It's the industry marketplace spanning a wide range of product sectors:

- air conditioning systems, equipment and components
- heating and hydronics systems
- plumbing products and accessories
- energy-saving products and technologies
- refrigeration equipment, products and supplies
- software and controls
- indoor air quality products
- building automation, management systems and controls
- fans, blowers and ventilation
- tools, instruments and contractor supplies
- renewable energy equipment and initiatives
- emerging technologies

Show Features That Attract Your Target Audience

- Innovation and new technologies on display throughout the show
- Skills Center and Skills Competitions add action and excitement
- FREE Learning Forum sessions – a great training value
- New Product Showcase focuses attention on your latest ideas
- Extensive targeted marketing program brings in the buyers!

Highlights From The CMPX 2018 Show:

- Completely "sold out" show floor with 200,000 sq ft of exhibits
- Larger than ever New Products Showcase
- Attendee survey – 87% of respondents achieved all planned objectives
- When asked, "Do you plan to buy new products you saw at CMPX, 82% said "Yes"
